

## California WIC Program

### Practice Test

Store Name and Address:	WIC Vendor#	Date:
Your Name:	Title:	Phone:

**Answer the following questions by marking TRUE or FALSE.**

	TRUE	FALSE
1. To determine what food is allowed on the WIC Program, vendors and WIC shoppers should use the WIC Authorized Food List (WAFL) Shopping Guide.		
2. WIC shoppers can choose to buy any brand of infant formula with their WIC Infant Formula food instrument.		
3. The WIC Program will not pay for food instruments accepted after the “Last Day to Use” date.		
4. You may combine two or more Fruits and Vegetables food instruments into a single transaction.		
5. You may ask to see a driver’s license if the WIC shopper forgets the WIC Identification Folder.		
6. Vendors should wait 24 hours after submitting the food instrument serial numbers before depositing them into their financial institution.		
7. Above-50% vendors can offer approved incentive items with a wholesale cost of less than two dollars.		
8. Regular vendors can offer special store promotions to WIC shoppers that they don’t offer to their other customers.		
9. You may use the Maximum Allowable Department Reimbursement (MADR) rates to set your shelf prices.		
10. You must deposit your food instrument no later than 45 days from the “First Day to Use” date on the food instrument.
